

LEVEL 3 CERTIFICATE IN

UNDERSTANDING MENTAL HEALTH

This qualification is designed to increase learners' knowledge and understanding of mental health and mental well-being.

Successful completion of the required units will allow the learner to develop in-depth knowledge and understanding of mental health. It will also support learner progression into relevant employment within the health and social care sector.

It is made up of five mandatory units as follows:

- Understand the role of the mental health care worker
- Understand mental health conditions in context
- Living with a mental health condition
- Mental health conditions and destructive behaviour
- Understanding treatment of mental health conditions.

Mode of Study:

Online Distance Learning

Level: 3
