

We want to hear from you...

Digital Social Care Records Focus Group

If you're a frontline, adult social care, worker, we'd like to invite you to take part in an online focus group to understand your experience using **assured Digital Social Care Records (DSCRs)** and **healthcare data** in your day-to-day work.

What we'll talk about

Focus groups will explore:

- How you use an assured DSCR in your role
- How confident and supported you feel using DSCRs
- What helps, and what makes things harder

This work is being carried out by the **Digital Policy Implementation Unit** in DHSC. Your experience could help improve support for adult social care staff.

Key Details

- 🚫 Sessions are voluntary and confidential
- 🕒 **90 minutes** (approx.)
